BBEC COMPUTING

This Half Term

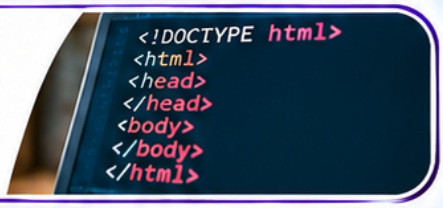
AMBITION RESILIENCE COURTESY KINDNESS

YEAR 7

Completing a Water Park Project. They will complete a research project on water and theme parks in the UK, then create their own using the Microsoft suite: design PowerPoints and create logos, use Word to create documents, use Excel to work out costing.

YEAR 8

Introduction to HTML (Hyper Text Mark Up Language) so they can learn and see how web pages are designed. They will then create their own webpage.



YEAR 9

Learning about the impacts of the environment on our use of IT.

YEAR 10

Completing their dashboards and analysing spreadsheets for their coursework in DIT.

YEAR 11

Re-capping on cyber security in preparation for their DIT Exam in May.

HOMEWORK

- **KS3:** Once a half term based on assessment.
- **Year 11:** Tasks set once every 2 weeks on Know It All Ninja.
