# Other resources

- Your subject teachers will have directed you to or given you subject specific resources, for example CPG revision guides. Use them!
- Our booklet from the GCSE launch evening which includes further advice on revision techniques, who to see for help etc.
- Your tutor, subject teachers and mentor are all resources! Use their support and advice!

- Create a workspace where you can revise without distractions. This could be in your room, the living room, or even the shed!
- Make sure it is well lit and well ventilated. Stuffy air will send you to sleep!
- Create space for your revision resources so that you know where to find everything and you have everything to hand.
- In your exam, **set your desk in the same way you would at home**. You will trick your brain into recalling revision.
