

24 May 2022

Dear Parent/Carer

Year 8 End of Year exams

I hope that you and your family are well. We have been pleased to see how well our Year 8 students have settled this year and enjoyed a full year with little or no disruption.

It is now the time of year when we assess the progress students have made in Year 8; all year groups will be taking end of year exams next half-term, and for Year 8, exams will take place in the week 13 – 17 June.

Students will be assessed in all subjects in that week; English, Maths and Science exams will take place in the large sports hall at the times below. Exams in other subjects will take place in lessons.

Date	AM	PM
Monday 13 June	Year 8 Maths Paper 1	Year 8 Science
Tuesday 14 June		Year 8 English
Wednesday 15 June		Year 8 Maths Paper 2

Exams will assess work covered in class and at home since September. Teachers constantly recap work in lessons but will also lead some revision lessons before the exams. Each department will provide learn sheets, which cover the key information students need to learn. Learn sheets and other revision materials will be available for all students on Teams, which students can access on their laptop from home. Learn sheets and curriculum information are also available on the school website.

Please make sure that your child understands the importance of these exams and is preparing properly for them. Teachers will be explaining to the students what form the exam will take, what they will have to do, what they must learn and how best to revise.

Please do not hesitate to contact Mr Taylor, Head of Year 8, at school if you require any further information.

Yours sincerely

Mr R J Humphreys
Associate Headteacher
