

18 February 2022

Dear Parents and Carers

### Year 11 Mock Exams and Intervention

Further to our previous letter regarding the Year 11 mock exams beginning on 28 February, please find more information below about how students should be preparing and revising over the next few weeks. All students have received an individual exam timetable, as well as the one sent to you in the previous letter.

Students should be revising this half term as well as during the weeks running up to their actual GCSE exams. All subjects have given students specific advice and information on how to revise; students have a revision diary to help them organise their time.

Subject information sheets, learn sheets and other resources are available on the BBEC website: [Year 11 Learn Sheets - February 2022 - Buttershaw](#)

In order to support students in their revision and preparation, the following are available:

- Period 7 – during mock weeks, these are voluntary. Your child should speak to their teacher if they would like support. Please see below about Period 7 after the exams.
- Morning revision classes – Students should check with subject teachers to see if these are available for your subject.
- The library will be supervised and open until 5pm every day for those who wish to revise/prepare for upcoming exams.

Period 7 after the exam; from 14<sup>th</sup> March 2022:

As we enter the final phase of preparation and revision for GCSE exams, Period 7 sessions are more important than ever. Year 11 students will be required to attend Period 7 as follows from 14<sup>th</sup> March 2022:

- Tuesday – Mathematics
- Wednesday – Science
- Thursday – English

I hope that by working together, we can ensure that your son/daughter can do their very best this year. **Please follow this link to see a copy of the previous letter sent out to parents:** <https://tinyurl.com/2p8hbbck>  
Please do not hesitate to get in touch if you have any questions.

Yours sincerely

*I Akbar*
