### Introduction

The purpose of the policy is to ensure that there is clarity over those items which the school will provide free of charge and for those items where there may be a charge.

The legislation governing the charging for school activities is set out in The Education Act 1996, Sections 449-462. This legislation covers what governing bodies may and may not charge for when activities take place, either during or outside of school hours, including residential activities.

This Policy is drawn up in compliance with the above legislation. Ideally, the school would like to make no charge to parents or students for any activity that is relevant to education provision, which occurs inside or outside the school. The limits of the school's budget, however, force us to make charges for certain activities and this policy outlines those areas.

### Policy statement

The Governing Body recognises the valuable contribution that the wide range of activities, including clubs, out of school trips, residential and experiences of other environments, can make towards students' all round educational experience and their personal and social development.

During the school day all activities that are a necessary part of the taught school curriculum will be provided free of charge. This includes any materials, equipment and transport to take students between the school and the activity. It excludes charges made for teaching an individual student or groups of students to play a musical instrument or equivalent. These are currently subsidised and this is reviewed annually.

No individual student will be prevented by financial hardship from participating in an event that is considered to be essential to his/her programme of study.

### Charging

There will be no charge for any activity that is an essential part of the syllabus for an approved examination unless:

- the examination is on the set list, but the student was not prepared for it at this school
- the examination is not on the set list but we arrange for the student to take it

## Voluntary Contributions

Voluntary contributions may be sought for activities during the school day which would otherwise be unaffordable.

There will be no obligation to contribute, but if insufficient funds are forthcoming then the trip may not run.

No student will be prevented from participating because his/her parents cannot or will not make a contribution.

## Remissions

Whenever charges are made, there are students whose family circumstances may exempt them from payment. The school will consider remission from payment for all or part of the charge for an activity where individual applications must be made on each occasion for which remission of all or a part of a charge is requested.

Any student or parent seeking remission in respect of a charge will be expected to provide the Head teacher with details of his/her personal circumstances.

## Lettings

Hire of the School facilities will be charged in line with the School Community Use Policy (terms and conditions of bookings).

## Catering

The method of payment for school meals is via ParentPay who operate an online system that enables parents/carers/staff to pay money into an account via their individual username and password. The system is secure and administered by ParentPay. The payments are credited to the school and allocated to the students/staff account. Meals are then purchased in school and the meal cost is deducted from the students/staff account.

## Implementation of Policy

The following guidelines will be followed when implementing the school's charging & remissions procedure:

- all students will be notified in advance of any charges that are to be set and they will have, where appropriate, information to take home to parents / carers. This will take the form of a letter outlining the activity, what the charge is, when it is to be paid and to whom monies must be given.
- when seeking voluntary contributions from parents or students for a particular activity, the school will always indicate whether the activity will be prevented from going ahead in the absence of sufficient funds.
