5 April 2022

Dear Parent/Carer

Year 10 Horizon's Day – Wednesday 6 April 2022

This is a reminder that all Year 10 students will be taking part in Horizon's Day tomorrow which will see them enjoying a full day of sessions provided by the following organisations:

- The British Army
- Yorkshire Building Society
- Happy Puzzle Company
- The University of Bradford (Forensic Science)
- Calderdale College
- Bradford College
- The Speaker's Trust

Students will have five 1-hour sessions during the day and follow normal school times, with the same break and lunch times. Students will get timetables and directions to their allocated sessions in the morning and must make sure they arrive on time to every session. They will also have form time with their tutors and listen to an Inspirational Speaker. They must wear normal school uniform and **do not** need their PE kits.

We hope that all students take away from the day many positive experiences, learn new skills and are empowered to be more aspirational about their future career pathways. There will certainly be many positive encounters and experiences with these organisations to enrich their CVs. This is also a useful prelude to work experience in July, and may I also remind you that this week Friday 8 April 2022 is the deadline for the yellow placement forms to be completed and handed in.
