

16 November 2021

Dear Parent/Carer

Aspirations Evening - Thursday 18 November between 6-8pm

We would like to invite you to our flagship careers event. The Aspirations Evening at BBEC is an outstanding opportunity to meet with employers, advisors and professionals from across all the employment and education sectors who can provide advice on the options available to students when they leave school. We will have over 300 guests and 40 businesses in attendance, including notable local employers, like Yorkshire Building Society, the NHS and Armed Forces and many of the local colleges, universities and training providers.

There will also be resources to take away and a number of workshops and seminars including:

- Understanding apprenticeships, all academic levels.
- Bring your CV and they will help you improve it as well as offer interview technique guidance.
- Further Education application process help and guidance.

These seminars are a unique opportunity to support you as a parent or carer and to help your child make an informed decision about what they want to do Post 16.

There will be a variety of providers attending including:

Employers

ASPIRATIONS EVENING

18TH November
6.00pm – 8.00pm

AMBITION

KINDNESS

This is a one-off opportunity for students in Years 10, 11 and their parents and carers to learn about the vast array of career and educational pathways available. The aim of the evening is to provide the opportunity to open a dialogue about your child's future plans and how to realise his/her career aspirations. Students will have the opportunity to apply to some of the vacancies that are available as well as apply to the college of their choice

Educators

ASPIRATIONS EVENING

18TH November
6.00pm – 8.00pm

Following the event, students will also be taking part in a mock interview session with some external providers on the 23 or 30 of November. This will hopefully help support your son/daughter to be more prepared for an interview at college or with an employer. It is really important that you encourage your child to attend as this will hopefully help them to prepare for an important part of their progression.

Training

ASPIRATIONS EVENING

18TH November
6.00pm – 8.00pm

If you do attend the event there will be a prize draw for all students who complete their capture form during the night, to win an exclusive prize.

There is also more information about our outstanding careers programme at BBEC on our website www.buttershaw.net

If you have any further questions about the event please email me on lee.grant@bbec.bdat-academies.org

I look forward to seeing you there

Yours sincerely

L Grant
