29 June 2022

Dear Parent/Carer

Year 7 English and Maths Progress Tests

We would like to inform you know that your child will be taking English and Maths Progress tests on Thursday 7 July 2022.

These tests are standardised nationally, allowing us to see how BBEC students are doing compared to other students across the country. This information is important, given that students were unable to sit their SATs in Year 6.

The tests each last one and a half hours; Maths will take place in the morning at 8.40 am and English in the afternoon at 1.15 pm. Students will require a calculator for part of the Maths test on the day.

Necessary arrangements will be made to catch up with any missed tests. There is no specific revision required for the tests. However, it is important that students take the tests seriously and complete them to the best of their ability, so that the school and students get an accurate picture of their progress.

If you require more information please contact the school via email at: admin@bbec.bdat-academies.org

Thank you in advance for your support.

Yours sincerely

T Mutasa
