CANCER RESEARCH FUND RAISING

Thank you to everyone who purchased one of the Valentine's flowers made by 10F. We raised £59.01 which will be donated to Cancer Research.

RAF WORKSHOP

Last week, students attended a STEM workshop on Biomimicry, which included designing their own sustainable product and presenting it to the group. One of our teams won first prize - beating Bradford Girls' Grammar School and Almondbury Community School. It's obviously the taking part that counts, but the result was a bonus!

An RAF careers session was included, followed by an interesting pathways talk with some first, second and third year female engineering students from the University of Leeds.

The final practical session was the building of a wind turbine with some financial constraints and problems to resolve.

The winners were:
Charlie Cockshott
Sasha Harsaniovva
Alannah Swift
Aaminah Shaffiq

BRADFORD AMP AWARDS

Thanks to everyone who came to cheer on our students at the AMP awards final this week at St. George's Hall; your support was very much appreciated!

The students performed amazingly well, picking up 3rd place in the business and enterprise contest and 2nd place in the battle of the bands (and all in their debut year)!
Well done!!

DATES FOR YOUR DIARY

Thur 10 March	Yr7 Parents' Evening 5-8pm
Thur 24 March	Academy Launch Evening
Thur 21 April	Yr9 Parents' Evening 5-8pm
Thur 5 May	Yr10 Parents' Evening 5-8pm

REMINDERS

YEAR 9 VACCINATIONS

Vaccination request slips will be handed to Year 9 students this week in school. This is for consent for their Td/IPV vaccination (booster for tetanus, diphtheria, polio, meningitis and septicaemia).

The consent forms need signing and returning to school as soon as possible. The injections will take place on Tuesday 8 March and will be administered by the vaccination team.

THE SUN WILL COME OUT TOMORROW

Buttershaw Business and Enterprise College is presenting the smash hit musical 'Annie'.

The well-loved musical 'Annie' is coming to Buttershaw Business and Enterprise College this March 15/16/17 at 7pm.

The BBEC Performing Arts Department are no strangers to putting on large scale productions and wonderful past shows include favourites such as 'High School Musical', 'Grease' and 'Little Shop of Horrors'.

School productions are now a firm fixture in the Buttershaw calendar, bringing staff, students and the wider community together.

Your favourite 'Annie' songs such as 'Tomorrow' 'Maybe' and 'Hard Knock Life' are brought to life with a fantastic cast, technical crew and live band. Come and see some future stars in the making! This is a production not to be missed.

Head of Performing Arts Richard Horsfall says:
"As always, a tremendous amount of work has gone into planning, rehearsing and arranging these performances. I am very fortunate to be surrounded by a dedicated team of professionals that work together producing shows, productions and concerts. This show would not have been possible without their professionalism and continued support"

BBEC continues to develop a really positive reputation within local performing arts circles and, indeed, London based casting directors 'Hubbard Casting' now hold regular castings in which numerous BBEC students have been successful recently in gaining parts in film and TV roles.

We look forward to welcoming you for a night of entertainment delight!

Tickets for Annie can be purchased via the school's reception or by emailing tickets@buttershaw.net

All tickets are £3.50 each.
