Free School Meal Vouchers January 2021

The government announced on the 13 January 2021 the launch of the latest national voucher scheme for families in receipt of Free School Meals provision. This is similar to the government voucher scheme that was launched March 2020.

Children will receive a final food parcel starting **Monday 18 January** before the voucher system starts.

We will be operating a voucher scheme from **Monday 25 January** for all students who are eligible for free school meals as an alternative to our food parcel delivery. Parents will receive vouchers to the value of £15 per child per week.

The government has also provided some funding to provide lunches at the weekend. Parents will receive a separate voucher to the value of £5 per child per weekend. These vouchers will be issued separately and will be in addition to the free school meal voucher.

Both vouchers will be delivered to you by email and we will be using the email address we have registered on our school's system. **If you have changed your email address then you must inform us by contacting us on admin@buttershaw.net immediately and definitely by the end of Tuesday 19 January.**

If you have any questions regarding this please contact us on admin@buttershaw.net
