Dear Parent/Carer

Year 9 End of Year exams

I hope that you and your family are well, and enjoying the gradual process back to normality. We have been pleased to see the vast majority of Year 9 students work well in what has been a very disrupted year.

As you would expect, it is important that we assess the progress students have made, especially as Year 9 prepare to start their GCSE courses. All year groups will be taking end of year exams next half-term, and **for Year 9, exams will take place in the week 21st-25th June**. Students will be assessed in all subjects in that week; English, maths and science exams will take place in the large sports hall at the times below. Exams in other subjects will take place in lessons.

Date	8.40am	10.00am	pm
Monday 21 June	Maths Paper 1 (60 mins)		
Tuesday 22 June			
Wednesday 23 June	Maths Paper 2 (60 mins)		
Thursday 24 June	Science (75 mins)		English (90 mins)
Friday 25 June			

Exams will assess work covered in class and at home since September. Teachers constantly recap work in lessons, but will also lead some revision lessons before the exams. Each department will provide learn sheets, which cover the key information which students need to learn. **Learn sheets and other revision materials will be available for all students on Teams**, which students can access on their laptop from home. Curriculum information is also available on the school website.

Please make sure that your child understands the importance of these exams and is preparing properly for them. Teachers will be explaining to the students what form the exam will take, what they will have to do, what they have to learn and how best to revise.

I hope this information helps. Please do not hesitate to contact Ms Carr, Head of Year 9 at school or via email at cmc@buttershaw.net if you require any further information.

Yours faithfully,

R J Humphreys
Associate Headteacher
