Dear Parent/Carer

### Year 9: Consultation evening for Parents and Carers

We look forward to seeing you at Parents' Evening tonight to discuss your child's progress with subject teachers. If you have not yet booked appointments and would still like to discuss your child's progress, please email school at [admin@buttershaw.net](mailto:admin@buttershaw.net) and a member of staff will contact you.

The welcome desk will be situated just inside the main student doors. Please bring a copy of the appointments with you, or on your phone; don't worry if you do not have them, a copy will be available at the desk.

In order to avoid crowding in the hall and atrium where we usually hold Parents' Evenings, consultations with staff today will be held in classrooms. A list of where staff will be located is below and will also be given to you on your arrival. Staff and students will be around the school to help you find your way.

As in most workplaces, we do unfortunately have a small number of staff who are absent, mainly due to testing positive for coronavirus, this is indicated on the list below. These members of staff will soon be back in school and will contact you by phone over the coming days to discuss progress in their subject.

I hope you find the evening useful and informative. Please do not hesitate to contact Ms Warrington, Head of Year 9, if you have any questions.

Yours sincerely,

Mr R Humphreys  
Associate Headteacher
