Head Of Year Message

I cannot believe we are already on the third and final term of Year 7; time has gone so quickly! It doesn't seem two minutes since they walked through the doors in September, ready and eager to start 'big school'. It makes me extremely proud to see how very much a part of the BBEC family Year 7 have become and how they have grown and matured throughout the year. They show **ambition** in their attitude to learning, act with **courtesy** and **kindness** in their conduct and have been resilient in the transition to secondary school. The next hurdle that our students will face in their journey through BBEC is their exam week and we cannot emphasise enough the need for revision. All staff are here to support if any student is struggling; we want our students to show the **resilience** I know they have in them.
