*Option subjects

For more information all curriculum maps with details of all topic areas can be found by visiting [Department Pages - Buttershaw Business & Enterprise College](#) and selecting the specific department page.

Rewards and trips message

BBEC continues to lead the way in providing experiences for our students:

Year 10:

- Rewards trips to Go Ape, Cineworld or Hollywood Bowl
 - BBEC and BDAT Sports Days

-The BBEC and BDAT Sports Days are held off-site at Horsfall Stadium and Belle Vue Girls'. The BDAT Sports Days are competitions around track and field at Horsfall Stadium and team sports at Belle Vue Girls School. Students can sign up through the PE department. This year we want to bring our trophies back!

-Many rewards trips on the 14th or 15th July 2022 will be free or half-price to students, and criteria for costings are based on net praise points (gold, silver and bronze Awards) and displaying values around behaviour, attendance and punctuality.

-Lastly, please remember all these activities require consent forms to be completed and returned to the office by the deadline. Please contact the office if there are any questions or issues.

Year 10 PSCHCE:

Over the next six weeks, your child's class will be taking part in lessons which will focus on relationships and sex education (RSE). RSE lessons in Year 10 will include teaching about: healthy relationships, staying safe and consent, developing self-esteem and confidence, sexual health, contraception, consent and issues around pornography. Pupils will also have opportunities to ask questions that help prepare them for relationships of all kinds in the modern world. PSHCE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website: www.buttershaw.net/pschce-rse/ for more detail about our PSHCE curriculum

- Work experience begins 4th July.
- Rewards week 18th July
- 19th July reports to parents.
- Students will be completing their speaking assessments in languages during this term

Work experience:

Our year 10 students are undertaking their work experience from the 4th -8th July with around 150 students finding placements within the Bradford district. Employers that have been sourced by the school include local charities like the Sandale Trust, Manufacturers like our link employer Birkbeck Structures and also a number of our local primary schools. I want to thank parents for their support with this; they have made a massive effort in helping their children to source placements. There are also a number of virtual work experiences being offered to students in school who didn't quite find one. Lloyds Banking Group, Yorkshire Building Society and the NHS are some of the companies offering these opportunities. If you have questions about work experience please contact Mr Grant, the careers leader. Thank you again for all your support.
