29 June 2022

Dear Parents and Carers

GCSE results day Thursday 25 August 2022

We look forward to seeing our Year 11 students on 25 August when they will be able to collect their results. After all their hard work, we hope that this will be a memorable day for students for all the right reasons. Staff will be on hand to speak to students and offer advice if necessary.

Students have been allocated a particular time slot to come to school to collect their results – please make sure your child does not arrive too early or too late as this may lead to a delay for them in collecting their results. **A separate letter will be sent via post with the allocated time for your child.**

All students should come to the sports hall entrance where they will collect their results; they will then have a short discussion with a member of senior staff about the results and to confirm what they are planning to do from September. Finally, students will move to the small gym to chat and celebrate with members of staff for a short time before leaving. Unfortunately, parents will not be able to enter the school building with students. We hope of course that your child will be pleased with their results; if students have any concerns, they will be able to discuss this with members of staff on the day. They will be given all the information necessary about next steps.

If students are unable, or do not wish, to collect their results from school, then they can receive their results in one of three other ways:

- Nominate another person to collect their results on their behalf after 11am at school reception on 25 August; students must send an email to exams@bbec.bdat-academies.org with details of who will be collecting them. The person coming to collect the results must bring ID.
- Receive results by email – results can only be sent to a student's school email address and will be sent later in the day. In order to arrange this, please complete the attached form and return it to school by post or email exams@bbec.bdat-academies.org (from the student's own email address) by Friday 22 July 2022.
- Receive results by post - results can only be posted on Thursday 25 August and will be sent first class. In order to arrange this, please complete the attached form and return it to school by post or email exams@bbec.bdat-academies.org (from the student's own email address) by Friday 22 July.

Also on results day, please remind students of the following:

- They will be able to return their locker key and receive their £5 deposit back
- If their loaned school laptop has still not been returned, they should bring it back on results day
- We will have a school uniform recycling point – please do not throw old uniform away but please bring it in to school so that we can use it for spares (ties especially)
- We would also appreciate any revision guides or books which you no longer need, and which we can use with younger students.

I know that these GCSE years have been unsettled, but I am sure that for most students, their resilience and hard work will be rewarded. Please do not hesitate to contact school before 22 July if you have any questions.

I would like to wish you a safe and happy summer and wish all students the best of luck for the future.

Yours sincerely

Mr RJ Humphreys
Associate Headteacher
Buttershaw Business and Enterprise College
